Hair Treatment Rituals

Revolutionary treatments designed for dull, dry and damaged hair or just unmanageable to repair, smooth and condition. Each treatment includes a complimentary glass of Prosecco or coffee.

NEW Fusio Dose

25mins / £25

An personalised express hair treatment including a scalp massage to match your hair needs. A visual consultation to discuss your hair routine and how to provide you with the best possible results will leave you with beautifully nourished hair.

NEW Deluxe Fusio Dose

70mins / £45

All the luxury of the 'Fusio Dose' incorporating a beautiful elixir oil to enhance shine and release tangling or heavy products in your hair. This deluxe treatment finishes with a blow dry from our blow dry cocktail menu.

Indulgent Hair Ritual

25mins / £25

A luxurious hair treatment combining a relaxation scalp massage and an intense conditioning mask personalised to your needs. Within the consultation your stylist will use advanced micro imagery technology to analyse the main parameters of your hair and scalp within seconds, to prescribe the exact hair programme for you.

Elixir Ultimate 24 Carat Ritual

45mins / £45

An all in one treatment for hair that just needs to be spoilt!

With a combination of 44 different hair oils the lightweight elixir oil creates nourished, protected and illuminated hair along with a beautiful fragrance. An elixir pre-cleanse and wash, followed by a conditioning mask is used before unwinding with a relaxation scalp massage. Your hair will be treated with an extra dose of elixir oil for you to go away with to give the full lasting effect.
